2018 3rd International Conference on
Design, Materials and Manufacturing

Submission Deadline:
Feb. 25, 2018

Publication

Accepted papers of ICDMM 2018 will be published into conference proceedings, which will be submitted for index by **Ei Compendex** and **Scopus**.

The papers of ICDMM 2017 has been indexed by **Ei Compendex** and **Scopus** two months after the conference.

ICDMM 2018 is co-sponsored by University of the Ryukyus, Kyushu Branch of the Society of Materials Science, Japan and International Association of Computer Science and Information Technology.

Topics and Scope

- (01) Materials behavior
- (02) Casting and solidification
- (03) Powder metallurgy and ceramic forming
- (04) Surface, subsurface, and interface phenomena
- (05) Coatings and surface engineering
- (06) Composite materials
- (07) Materials forming
- (08) Machining
- (09) Nanomaterials and nanomanufacturing
- (10) Biomedical manufacturing
- (11) Environmentally sustainable manufacturing processes and systems
- (12) Manufacturing process planning and scheduling
- (13) Meso/micro manufacturing equipment and processes
- (14) Modeling, analysis, and simulation of manufacturing processes
